The art on applicants' IDS of 2-2-04 is not prior art) but has been considered) and the examiner's position regarding the allowability of the instant claims has therefore not changed since the mailing of the previous Notice of Allowability of 1-12-04. The examiner agrees with applicants' remarks of 8-25-03 that no prima facie case of obviousness can be made over Sano (4,480,057).
